3. Packaging Box Design Change

COOL GEAR Oil Filter / COOL GEAR Air Filter

<Background>

Due to Customer Protection Law Requirement in each country, we revised the packaging box of our maintenance products to include in local language*

*countries with DENSO office presence will include local language as required by law.

<Result>

Packaging of maintenance products will be revised by running change.

Please see the first Part No. of COOL GEAR Oil Filter and COOL GEAR Air Filter to proceed the running changes.

Depending on stock condition in each country, the running change timing will be different.
