2. Reminder: Packaging Change – DENSO Diesel Fuel Filter

(a) DENSO Diesel Fuel Filter

<Background>

In line with global packaging guidelines, DENSO Diesel Fuel Filter box design will be changed.

<Results>

Packaging box will be revised, based on running changes, from January 2022 delivery onwards.

Below table shows the details of revised packaging box (flat layout view):

Current Packaging

The current packaging layout includes the following elements:

- Front Panel:** Features the DENSO logo, product name "DIESEL FUEL FILTER" in multiple languages, and a large image of the fuel filter.
- Back Panel:** Contains a large "CAUTION" warning, a "PART NO." label with "KS086300-2720", and a barcode.
- Side Panels:** Provide detailed distributor information for various regions including Australia, Indonesia, Malaysia, and Thailand.

New Packaging

The new packaging layout includes the following elements:

- Front Panel:** Similar to the current version but with updated graphics and text.
- Back Panel:** Updated "CAUTION" warning and "PART NO." label.
- Side Panels:** Updated distributor information for various regions.

For more information, please contact your DENSO Sales Company.
