### 2. (Reminder) Packaging Change –COOL GEAR Compressor

#### COOL GEAR Compressor

##### <Background>

In line with Global Packaging Guidelines, the made-in-China COOL GEAR Compressor box design will be revised (made-in-Japan compressors are already revised).

##### <Results>

Packaging box and box label will be revised on running change basis, from Nov'22 onwards.  
The first Part No. to change is YN437190-0140.

Below table shows the details of revised packaging box (only printing change, no change in box type/dimensions):

Current	New
	<p style="background-color: yellow; display: inline-block; padding: 2px;">&lt;Actual image not available&gt;</p> <div style="display: flex; align-items: center; justify-content: center;">  <div style="margin-left: 20px;"> <p>(1) Remove "DENSO CORPORATION"</p> <p>(2) Example of Revised Label</p> </div> </div> <div style="text-align: right; margin-top: 10px;">  </div>

##### <Next Action>

Please take note of the new packaging.
