

# Aftermarket News (Mar'23)

## 1. Packaging Change – COOL GEAR Evaporator

### COOL GEAR Evaporator

<Background>

In line with Global Packaging Guidelines, the COOL GEAR Evaporator box design will be revised.

<Results>

Packaging box and box label will be revised on running change basis, from Apr'23 onwards, starting with Made in China COOL GEAR Evaporator.

\*Made-in-Japan COOL GEAR Evaporator was already revised since September 2021 for box, and December 2021 for box label.

Below table shows the details of revised packaging box (only printing change, no change in box type/dimensions):

Current	New
	 <p>(1) Remove "DENSO CORPORATION"</p> <p>(2) Revised Label</p> 

<Next Action>

Please take note of the new packaging.

## 2. (Reminder) Packaging Change – COOL GEAR Dryer

### COOL GEAR Dryer
