### 3. Minor Change in QR Code Label – DENSO Diesel Fuel Filter (DFF)

DENSO DFF			
<b>&lt;Background&gt;</b> Change to QR Code label is made from Production Plant due to the new software for QR code content does not accept blank at the end of data string. Hence Production Plant had replaced end blank string with replicate of '0'.			
<b>&lt;Results&gt;</b> The change is only on QR Code reading results, there is no change on the label itself.
