	BT115010-4650	
	BT115010-4670	
	BT115010-4680	
COOL GEAR Condenser	MA447750-3320	
	MA447750-3330	
	MA447750-3340	
	MA447750-3440	
	MA447750-3450	
	MA447750-5680	
	MA447760-1850	
	MA447760-1860	
	MA447760-1870	
	MA447760-1880	
	MA447760-1880	
	MA447760-2060	
	MA447760-2840	
	MA447760-2850	
COOL GEAR Expansion Valve	447500-9031	

<Next Action>

Please stop ordering the phased out Part No. with effect from 31 October 2022.

3. Packaging Change –COOL GEAR Compressor

COOL GEAR Compressor

<Background>

In line with Global Packaging Guidelines, the made-in-China COOL GEAR Compressor box design will be revised (made-in-Japan compressors are already revised).

<Results>

Packaging box and box label will be revised on running change basis, from Nov'22 onwards.
 The first Part No. to change is YN437190-0140.

Below table shows the details of revised packaging box (only printing change, no change in box type/dimensions):

Current	New
	<p data-bbox="719 622 1078 651" style="background-color: yellow;"><Actual image not available></p>  <p data-bbox="1214 741 1390 815">(1) Remove "DENSO CORPORATION"</p> <p data-bbox="1198 969 1366 1016">(2) Example of Revised Label</p> 

<Next Action>

Please take note of the new packaging.

4. (Reminder) Packaging Change – COOL GEAR Clutch

COOL GEAR Clutch

<Background>

In line with Global Packaging Guidelines, the COOL GEAR Clutch packaging and label will be revised.

<Results>

Packaging box and label will be revised, based on running changes, from September 2022 delivery.

Below table shows the details of revised packaging box (only printing change, no change in box type/dimensions):

Current	New
	<p data-bbox="719 555 1078 584" style="background-color: yellow;"><Actual image not available></p>  <div data-bbox="1214 674 1390 752" style="position: absolute;"> <p>(1) Remove "DENSO CORPORATION"</p> </div> <div data-bbox="1134 938 1299 987" style="position: absolute;"> <p>(2) Example of Revised Label</p> </div> 

<Next Action>

Please take note of the new packaging.
