## 2. Change in Part No. – COOL GEAR Air Filter

### COOL GEAR Air Filter

#### <Background>

Due to improved mold and updated engineering drawing, 2 Part No. of COOL GEAR Air Filter will be affected.

#### <Results>

The affected COOL GEAR Air Filter will change the last digit of the Part No. to "1".

As there are still remaining packaging box stock with the current Part No. printed on it, the updated Part No. will be pasted over as a sticker until stock depletes. Supplier will then change to the new packaging box with new Part No. printed on it.

Below are the affected Part No.

Current Part No	New Part No	Type
260300-0640	260300-0641	PU
260300-0650	260300-0651	PU

#### <Next Action>

Please order the new Part No. with immediate effect.

### 3. Update in Application – COOL GEAR Oil Filter
