

Aftermarket News (Aug'24)

1. Packaging Change – COOL GEAR Condenser and Evaporator

COOL GEAR Condenser and Evaporator from Indonesia

<Background>

In line with Global Packaging Guidelines, the COOL GEAR Condenser and Evaporator box design, with country of origin from Indonesia, will be revised.

<Results>

Packaging box and box label will be revised from next shipment onwards.

*Made-in-Japan COOL GEAR Evaporator was already revised since September 2021 for box, and December 2021 for box label.

*Made-in-China COOL GEAR Evaporator box and label design were revised since March 2023

*Made-in-Thailand COOL GEAR Condenser and Evaporator box and label were revised since June/July 2023

Below table shows the details of revised packaging box (only printing change, no change in box type/dimensions):

New (sample as Evaporator)

(1) Remove
"DENSO
CORPORATION"

(2) Blue tone
improved

(3) Revised Label

<Next Action>

Please take note of the new packaging.
