#New Part No

2. Imitation Alert – COOL GEAR Radiator Cap

COOL GEAR Radiator Cap

<Background>

DENSO Regional is alerted to new fake COOL GEAR Radiator Cap in the market.

The fake packaging box is similar to the original, however, the radiator cap inside is blue in color.

<Next Action>

Please take note of this and do not buy the fake radiator cap.

3. Improvement of Fuel Efficiency – DENSO Horn (Double Terminal)

DENSO Horn

<Background>

To improve vehicle fuel economy, single terminal horn which is often used by vehicle manufacturers was improved to a new lightweight type -- the single horn disc type was changed from G21 to GS2.

As single terminal horn was changed, double terminal is next step.

<Results>

For improved double terminal horn, ordering starts from Nov'24 for targeted first delivery in Feb'25.

There is no change in price from current Part No.
